

**DELHI PUBLIC SCHOOL
GAYA
CLASS – V ASSIGNMENT-1 FOR SUMMER VACATION 2018–19**

SUBJECT – ENGLISH

1. Imagine a future with robots. Yes, 50 years from now and you will not be so young and energetic. Perhaps you will have robots cooking and cleaning for you. Imagine this robot period and write 10 lines on it.
2. You go home and talk a lot about your teacher. Why don't you write about him or her? You can write about a particular day in school when your teacher touched your life in a special way.
3. Write about your hobby or hobbies. Do you find enough time? Is your hobby a little expensive and requires money? Who helped you to develop your hobby or do you have a hobby that makes your parents angry, like sleeping or watching TV? Does it help you to relax? Just feel free about it and write 10 sentences about your hobby.
4. Imagine, you are a tree. When you were a sapling, a man brought you from the forest to the city. In the city, you miss the greenery, the sound of birds, insects, rivers and the wind. Your friend, the Neem tree lives in the forest. Write a letter to the Neem tree, expressing your sorrow and telling him how much you miss the life of the forest.
5. Complete page number one to ten of your cursive writing book
