

DELHI PUBLIC SCHOOL GAYA

ASSIGNMENT-2, SESSION 2018-19

CLASS – IV

ENGLISH

1. How do you feel when you get a new pencil? It looks good, helps you to write beautifully and get smileys from your teacher. But one day you toss it aside and don't even look at it because it is too small!
Imagine you are a pencil. How did you feel when after being loved for so many days you were simply thrown in some corner of the room?
 - a) Describe yourself as a pencil.
 - b) Write about your feelings when you were loved.
 - c) Write about your feelings when you were not loved anymore.
 - d) What did you learn from your story?
2. It is easy to talk about others. Here is an opportunity to write about yourself. All you have to do is write about hobbies, likes and dislikes and what you like and don't like about yourself. You may add any other point, you feel you want to talk about.
3. Your granny has turned eighty. Plan her birthday party. She loves to have people around her : especially her two friends and only brother. Also write a speech about her to make her feel special. Use the hints given below.
