WORLD ENVIRONMENT DAY

On the occasion of World Environment Day, Delhi Public School, Gaya is very excited to share the glimpses of the varied flora, which are spread across the well maintained gardens and fields of it's premises.

DPS Gaya has a rich collection of around one thousand different species of flowers and plants.

DPS Gaya is fully devoted to the immense cause of preservation and restoration of a green and vibrant Earth. DPS Gaya takes special interest in inculcating the value and importance of a balanced environment among the young generation.
