## VIRTUAL FANCY DRESS COMPETITION-2021: Classes Nursery to I

The glorious events of every passing year add new jewels on the crown of Delhi Public School, Gaya. It is as if history has been trying to make it a paragon of culture and prosperity as the institute always harbours new designs for the holistic development of its students. Believing in the doctrine that each child is blessed with talents which are unique, and to bring out these hidden talents, a three days' virtual Fancy Dress Competition had been organised for the students of Nursery - Class I from 28.01.2021 to 30.01.2021. The school beheld astounding performances of the little children in these three days and it was a feast to the eyes watching the little ones performing in the virtual fancy dress competition with great enthusiasm and confidence by dressing up in different characters. The toddlers were attired as social reformers and freedom fighters, endangered animals, cartoon characters, imaginary characters, etc. It was also a proud moment for their parents to see the little children performing in a magnificent manner. This activity helped the students to bring out their inner talent and gave them a platform to build their self-reliance. The students spoke confidently about the characters they portrayed and won every heart with their ebullience and avidly.
