## Micro Teaching Session:2022-23

Teaching isn't an easy profession. Teachers must possess the skills necessary to teach young students and keep them engaged and attentive throughout a class. Micro-teaching techniques play a critical role in developing knowledge and attitude in teachers, but most importantly, it equips teachers with certain essential skills. These skills are essential for the modern classroom. To inculcate these essential skills, Delhi Public School Gaya organized Micro-teaching Session for the teachers of Primary Wing for three days, from 9th to 11th June, 2022.

The teachers of all subjects enthusiastically participated in Micro-teaching Session. Teachers focused on sharpening and developing specific teaching skills and eliminating errors. This helped them build confidence and be prepared for a variety of classroom scenarios. They planned and presented their topics with multifarious adroitness and proficiency. Using discussions, a primary teaching method, allows you to stimulate critical thinking. As you establish a rapport with your students, you can demonstrate that you appreciate their contributions, at the same time, you challenge them to think more deeply and to articulate their ideas more clearly.

The session was witnessed and minutely observed by our Honourable Principal Sir, Mr. Satyendra Kumar Mishra. He further honed and guided teachers for improvement. Altogether, the teachers put in lot of effort to manifest their professional teaching skills, and the best will reach students in upcoming days for their holistic development.

### My Dear Children

*My happiness knows no bounds when the mirth of raindrops sounds and wets the sprawling grounds...*

*You know... there is a very uncertain certainty in the dawning of this deluge without which my palpitations refuse to give refuge to the ethereal earthiness I love to emanate from each pore of my existentialism.*

*June is always special for this month is the harbinger of all that drop down from the heavens and percolate deep inside the recesses of the "mother" who then nourishes all beings.. all the earthlings.....*

*Let me leave you all with great hopes for a greener, brighter and livelier earth till we meet in July again.*

### विदाई—कविता

जो भी पल आपके साथ बिताए थे,  
अब आँखों में बंद यादें बन जाएँगी।  
न जाने कहाँ फिर मुलाकात होगी,  
देर—सबेर अब कब बात होगी।

आप बहुत कुछ थीं हमारे लिए,  
अब तो मुश्किल होगी हमारे लिए।  
अब समस्या जो आएगी, किसे बताऊँगा,  
अब जिन्दगी की उलझन कैसे सुलझाऊँगा।

आप—सा बड़प्पन नहीं है किसी में,  
आप—सी सरलता नहीं है किसी में।  
आपको हम विदा आज कर दें मगर,  
आप—सी सज्जनता: नहीं है किसी में॥

सीनियर होकर थोड़ा सताया भी आपने,  
बड़ी बहन की तरह प्यार जताया भी आपने।  
थोड़ा परेशान भी किया हमें जीवन के रास्तों पर,  
पर समस्याओं को सुलझाने का राह भी सुझाया आपने॥

मिली—जुली गम—खुशी की भावनाओं के साथ,  
विदाई करते हैं आपकी शुभकामनाओं के साथ।  
प्रार्थना है कि आपके नव जीवन की हो शुभ शुरुआत॥

तो चलो अब इन यादों के साथ,  
खुशियों की नये सौगातों के साथ।  
आप करें नए सफर की शुरुआत,  
विश्वास है हम रहेंगे साथ—साथ॥
