WELCOME ADDRESS

Dear Parent/Guardian/Reader,

Welcome to DPS Gaya. As you embark on this momentous journey of miraculous transformation, you'll soon realise that you are a member of a flagship that has been instrumental in propagating and implementing a ground-breaking educational revolution in Bihar. An educational institution isn't worth a great deal if it teaches young people only how to make a living but fails to teach them how to make a life. DPS Gaya's tremendous success is attributable to its pursuit of high-quality education. Our challenge to help our progeny survive and thrive. At the same time, we hope this investment will eventually return a productive member to the society.

Education should consist of a series of enhancements, each raising the individual to a

higher level of awareness, understanding and kinship with other fellow beings. DPS Gaya promotes a safe, caring and supportive environment that ignites the minds of the youngsters and inflames their intellect. Education becomes significant and valuable when the learners are nurtured and taught to develop a 'Love of Learning' by facilitating the right environment. Education must be based on a solid value system and ethical background to withstand the wind of change. Hence. This enables Dipsites to go a long way in life.

With more than a decade of experience in the academic field, DPS Gaya has touched, nurtured, moulded, and influenced the lives of scores of young people. Under DPS Gaya's sheltering umbrella, from Pre-Nursery to XII, your child will blossom into a confident and mature youngster, ready to carve a niche in today's highly competitive world.
