BIHAR DIWAS

Delhi Public School Gaya celebrated 'Bihar Diwas' on March 22, 2023, premised on the theme 'Yuva Shakti Bihar ki Pragati'. The theme conspicuously advocates to capitalize the power of youth for heralding an era of progressive Bihar. Honourable Principal Sir, Mr. Satyendra Kumar Mishra in his address to the teachers, glorified the state of Bihar as a confluence of knowledge and progress. He highlighted the uniqueness of Bihar as on one hand it has abundant deposits of the effervescent mineral mica under the ground, on the other hand, above the ground it boasts of being the home of great heroes and champions, be it Buddha, Dinkar, Dr. Rajendra Prasad or Ustad Bismillah Khan. He further stated that youth transcends age and should be characterized by unwavering energy and vitality. Respected Pro-Vice Chairman Sir, Mr. Sanjeev Kumar extended his greetings to everyone on the auspicious occasion of 'Bihar Diwas'. He reinforced the unrelenting commitment of DPS Gaya for providing every possible resource to its students to get recognition at various national and international level competitions and subsequently etch an indelible legacy for the state of Bihar.

PARENTS' ORIENTATION PROGRAMME

Keeping in mind the sensitive role of parents along with teachers in the development of children, a "Parents' Orientation Programme" was organised for the parents of new students enrolling in Delhi Public School Gaya for the session 2023–24. The ceremony started with the lighting of the lamp. A welcome song was sung in order to officially greet the parents, and after that, a programme based on 'Yoga Asanas' was presented. In his speech, Mr. Satyendra Mishra, Principal, explained to the parents the goals and values of DPS Gaya. Honourable Principal Sir also stated that DPS Gaya looks out for the best interests of the kids. He emphasised the value of parents and teachers, stating, that for them the greatest delight is to see their pupils thrive. He listed **discipline** and **punctuality** as the two main values of a student's life. This programme aids parents in comprehending DPS Gaya's "pedagogy." The programme was highly praised by the parents who also thanked the school for successfully organising this programme. The school's Pro-Vice Chairman, Mr. Sanjeev Kumar said, on the occasion, that DPS Gaya is committed for developing students into capable and effective citizens and has been incessantly working to provide all the resources required for their multi-dimensional development. The function finally concluded with the customary National Anthem.

CLIMATE CHANGE

Once I was a green beautiful land
floating in blue crystal ocean
with the people full of devotion
I was free of hatred, hunger and pain
I was free of pollution with no rapid population
in vain
Yeah! I was igniting with the sparkle of diverse
creatures
'cause I was free of climate change with all-green
features
Hey Universe! I'm a greedy human, made of
materialistic things
I only know how to play with your gifted-natural
things
I'm cutting down woods to beautify my attire
cause I'm a person of my own desire
You created nights , I created lights
You created glaciers , I created carbon vehicles
You gave us a "Perfect Life" to live,breathe & feel
the beauty of nature ,
the chirrupings of the birds & roaring of the lions
, the sunset & sunrise without any appliance
Now I'm in deep shock filled with sorrow
'cause you foolish people don't care about
tomorrow
My heart,my lungs,my entire body is bleeding
Your curse makes me worse with humanity
ending
your home is dying,ecosystem collapsing,animals
are crying,trees are browning,
sea-level is rising,but you keep denying the fact

that one day this plastic will erase your existence
Oh! my bad dear earth if I've ever hurt ,disgraced
or cursed you.
Well, I'll make this Earth a better place
with AI, virtual reality and rockets launching into
space
All the things are under my control & autonomy
I only care about increasing economy
Ah! If you'll not take care of me I'll ruin you just
as you ruined me...
with constructions of buildings, with carbon
emissions,
destruction & killings in drought conditions
Have shame, you awful people...
for the sake of your motherland, for the fate of
your civilisations...
C'mon save the world
Don't make your life meagre
'Cause I am the Earth and you are the future
Now I'm full of regrets & I've realised my
mistakes
Oh! I'm SORRY for my bad deeds that I've only
done for my own greed.
Time is running out we have to step out but we'll
bring greenery again
How ? well...
By joining hands & facing each other
By foresting lands & fighting together
By making our voice loud & clear
that if we can't protect our mum then simply
we're losing our own species.

Wenn du schläfst, mein Kind?

Wenn du schläfst, mein Kind
Schau ich dir in die Träume
Und ich sehe, du träumst davon
Wie schön wir sind
Und ich hüt' mich, dass ich keinen Deut versäume
Wachst du endlich auf
Seh' ich in die Tiefe deiner Augen
Und mir ist als riefe es wie Gesang
Von Glück und Seligkeit zu mir herauf
Lalaladada...
***** Dank*****

When you sleep ,my child?

When you sleep, my child
I look into your dreams
And I see you dream about it
how beautiful we are
And I take care that I don't miss a jot
Are you finally waking up?
I look into the depths of your eyes
And I feel like it's calling like singing
From happiness and bliss up to me
Lalaladada...

अभेद्य

रोनक-सी लग रही है रजनी
जब से सपनों को देखा है।
खुद की खामोशी भेद कर
अभेद्य हृदय को रखा है।

चाहे चरण चट्टान हों
चाहे हों कितने ही विशाल।
मुमकिन नहीं है औरों से,
कि मिटा दें मेरी मिसाल।
कि मिटा दें मेरी मिसाल।।

हस्तरेखाओं में रखा क्या
जब आनेवाला समय उसमें अंकित नहीं।
उस फुलवारी में फूल ही कहाँ,
जब उस गुलशन में फूल ही नहीं?

हस्तरेखाओं में रखा क्या
जब आनेवाला समय उसमें अंकित नहीं।
उस फुलवारी में फूल ही कहाँ,
जब वह गुलफाम है ही नहीं।

यूँ न मिलते है गुलाब
काँटों से लड़ना पड़ता है।

यूँ न मिल जाती है मंज़िल
तूफ़ान से गुज़रना पड़ता है।

यदि सागर में शांति है
तो चक्रवात कैसे आएगा?
यदि अंबर में उज्ज्वल कांति है
तो बरसात कैसे आएगा?

कायनात ने कर्म को देखा
न सुना न समझा।
मंजिल ने मेहनत को ही समझा
न देखा, न सुना।

देखा बस उस आग को
सुना बस उस शोर को।
समझा बस उस संघर्ष को
जाना बस मन के ज़ोर को।

समय का तुरंग तेज़ था
उससे भी तीव्र थी तरंग।
जिसके प्रवाह में मैं बहती जाऊँ
अपने सपनों के संग।

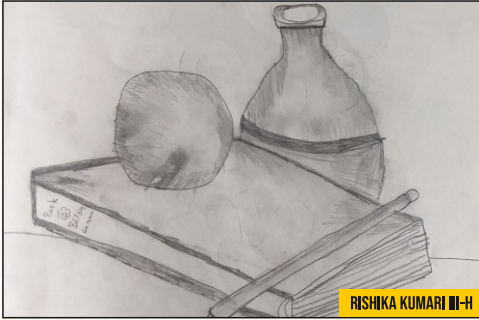

यदि कमल कीचड़ में नहीं
किसी पाक पानी में खिलता।
शायद उसका सौंदर्य
कमल की भाँति कभी न होता।
कमल की भाँति कभी न होता।।

हारे को हराना वीरता ही कहाँ?
मरे को मारना मर्दानगी कहाँ?
जो गुलामियत की जंजीरों में बँधा हो
उसको गुलाम बनाने में शौर्य ही कहाँ?

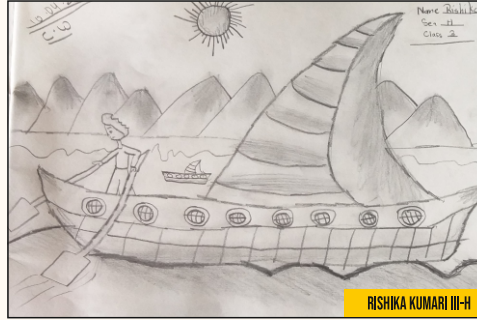

कमज़ोर नहीं काबिल है तू
अपने नाव का चालक है तू।।
शायद तू यह भूल गया
कि अपनी मुक़ाम का मालिक है तू।

अपने भूत को भुला कर
वर्तमान का वाहक खुद को बनाया है।
क्षुधा तृप्त नहीं हुई है
इसलिए तो अभेद्य सपनों को पाला है।
इसलिए तो अभेद्य सपनों को पाला है।।
