### MESSAGE FROM THE PRINCIPAL'S DESK

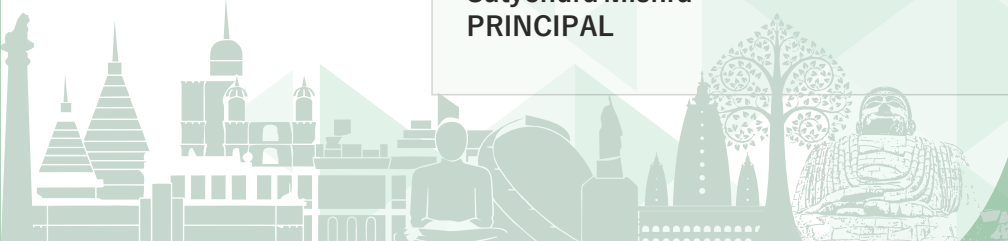

*The roots of education are bitter,  
 but the fruit is sweet.  
 – Aristotle*

Dear students, As we enter into a new academic year, I want to remind you of the importance of motivation and discipline in your studies. Without these two key factors, it can be difficult to achieve the success you are capable of. I encourage you to set goals for yourself and stay motivated by reminding yourself of the reasons why you chose to pursue your education. Additionally, maintaining discipline by creating a schedule and sticking to it will help you stay on track and achieve your goals. Remember, success does not come easy, but it is achievable with hard work and determination. I have faith that each and every one of you has the potential to excel and reach your full potential. Let's work together to make this academic year a successful one.

Best regards,

Wishing you all Good Health and Best Wishes in your sojourn of Education!

**SPRING CRAFT ACTIVITY**

Charlotte Brontë said, "Spring drew on...and a greenness grew over those brown beds, which freshening daily, suggested the thought that hopes traversed them at night and left each morning brighter traces of her steps."

In the wake of the slumberous winter, nature rejuvenates itself with the advent of the spring season. The blossoming of new flowers, the buzzing of bees, and the fragrance enveloping the surroundings instill peace and tranquility in the spring season. To capture the essence of the spring, Delhi Public School Gaya conducted "Spring Craft Activity" for the students of Pre-Nursery to Class II on April 12, 2023. The tiny tots of Pre-Nursery crafted beautiful butterflies by crumbling and pasting the paper whereas the toddlers of Nursery artistically designed flowers by finger painting and paper pasting. Students of Class I explored their innate creativity and made Ladybug by painting and pasting while the students of Class II used their artistic brilliance to make paper chicks. All the students enthusiastically participated in this activity and showcased their creative ingenuity.

## WELCOME TO THE NEW ACADEMIC YEAR

Delhi Public School Gaya's Junior Wing welcomed the tiny tots in the new academic session of 2023-24 with great effervescence. After the initial apprehensions, the toddlers showed great camaraderie among themselves and with their teachers. They immersed themselves in various games and activities. All the students were photographed on the first day of their school. The teachers organized various activities including crown making, scribbling on cards, and balloon cutouts for the kids of Nursery and Prep. The young children exhibited immeasurable enthusiasm in different sets like engineering kit, kitchen table, doctor set, and shopping set. The day captured the essence of bonding between teachers and students. The entire school was in ecstatic euphoria over the return of students to the campus in the new academic year.

### **FIRST DAY OF THE NEW ACADEMIC YEAR**

Delhi Public School Gaya welcomed the young learners in the new academic session of 2023-24 with sparkling cheerfulness. The students from Pre-Nursery to Class I exhibited unmatched enthusiasm as they embarked on a promising journey of the new academic session. They engrossed themselves in various activities to celebrate the beginning of the new session. The tiny tots of Pre-Nursery made beautiful crowns with the help of their teachers while the toddlers of Prep artistically coloured the 'Apple Cutouts' with crayons. They also wrote their bus numbers on the 'Bus Cutouts' and enthusiastically participated in the 'Welcome Door Activity'. The young children of Class I designed the 'Welcome Badges' for the new class and penned down about 'Myself' in the worksheet. The day captured the spirit of innate bonding among teachers and students.

## WORLD HERITAGE DAY 2023

World Heritage Day, also known as the 'International Day for Monuments and Sites' is celebrated every year on April 18. This day is aimed at raising awareness about the importance of cultural heritage and prioritizing the need to preserve historical sites and monuments across the globe. The day celebrates the uniqueness and diversity of cultural heritage across the world and inspires people to cherish and preserve it for future generations. Delhi Public School Gaya celebrated World Heritage Day on April 18, 2023. Students from Pre-Nursery to Class II inquisitively participated in the activities organized on this day. The teachers showed visuals of some of the famous world heritage sites to the students and elaborately explained about them. The tiny tots of Pre-Nursery, Nursery, and Prep coloured renowned heritage sites such as the Sanchi Stupa and the Red Fort in the worksheets provided to them and subsequently pasted these coloured architectural marvels in their scrapbooks. Students of classes I and II assiduously participated in the 'Show and Tell Activity'. Each student brought a picture of a famous heritage site and spoke 4 to 5 sentences about it.

**STORY TELLING COMPETITION**

Robert McKee said, “Storytelling is the most powerful way to put ideas into the world.” Keeping this above-mentioned quote in mind, DPS Gaya organized a Storytelling Competition for the students of classes III to V on April 19 and April 20, 2023. Students participated with immense ardour and earnestness. The participants enraptured everyone with the finesse of their oration and ferried the audience to the realm of the magical land of the stories. It was absolutely an amazing session where the young minds unleashed their latent creativity through their stupendous presentation and captivating oratory skills. The participants were adjudged on a range of parameters such as creativity, fluency, content delivery, coherence, and expression.

## WORLD EARTH DAY 2023

Mahatma Gandhi said, “Earth provides enough to satisfy every man’s needs, but not every man’s greed.” This quote by Mahatma Gandhi underscores the expediency to promote a harmonious relationship with mother Earth. Earth Day is an annual celebration across the globe, but at the same time, it exhorts us to maintain the sustainability of our ecosystems on our Mother Earth. To raise awareness about the expediency to save our planet Earth and thank nature for all its bounties, Delhi Public School Gaya celebrated Earth Day on April 20, 2023 with interminable vigour. The event underlined the importance of being vigilant and relentless in safeguarding Mother Earth from further deterioration. Students from Classes Pre Nursery to X diligently participated in various activities to uphold the sanctity of this day. Students from classes III to V participated in the Painting Competition to disseminate the message of saving Mother Earth. Meanwhile, students of classes VI to X brought various hand-made paintings to mark the significance of the day. They were administered a pledge in their respective classes to be steadfast in safeguarding the Earth from further annihilation. They also participated in Quiz on World Earth Day.

## **SPRING ACTIVITY AND WORLD EARTH DAY 2023**

Robert Swan said, “The greatest threat to our planet is the belief that someone else will save it.” This quote underscores the expediency of promoting a harmonious relationship with Mother Earth. Earth Day is an annual celebration across the globe, but at the same time, it exhorts us to maintain the sustainability of our ecosystems on Mother Earth. In a bid to promote awareness about the need to save our planet Earth and thank nature for all its bounties, Delhi Public School Gaya’s Junior Wing celebrated Earth Day on April 20, 2023, with interminable effervescence. The toddlers of the Junior Wing participated in Drawing Competition. The event underlined the importance of inoculating and safeguarding planet Earth from further deterioration.

In the wake of the somnolent winter, nature revitalizes itself with the advent of the spring season. The blossoming of new flowers, the buzzing of bees, and the fragrance enveloping the surroundings instill peace and tranquility in the spring season. To capture the essence of the spring, the little kids enthusiastically participated in Spring Activity on April 20, 2023. The tiny tots made beautiful paper butterflies, exploring their artistic ingenuity.

**मेरी काठ की अलमारी**  
कितना कुछ समेटकर रखती है!  
नई-पुरानी;  
छोड़ी हुई-छुड़ाई हुई;  
टूटी हुई-फटी हुई;  
खरीदी हुई-दिलाई हुई;  
जुगाड़ी हुई-भुलाई हुई—

चीजें,  
कपड़े,  
साजो सामान,  
किताबें,  
चिट्ठियाँ,  
तोहफें

और उनसे जुड़ी यादें!

सोचती हूँ  
यह मेरी काठ की अलमारी है  
या मेरा दूसरा मन?!

### RECYCLING TURNS THINGS INTO OTHER THINGS, WHICH IS LIKE MAGIC

**Kabbad se jugaad** is an innovative movement to control and manage waste materials in our country. The movement **Kabbad se jugaad** also develops creative ideas of using waste materials, in some essential needs which can be beneficial for both people and the environment. The best example of **Kabbad se jugaad** is preparing decorative items which we can use in decoration for our homes and public places too.

When we apply our creativity skills in making decorative products from waste products such as newspapers, plastic bottles etc. we can definitely create beautiful products.

Recycling and using materials is a conventional method to protect our environment which we will apply to decorate our surroundings too. At first, we need to create some plans about which products we can create from waste products, after that we need to craft in some designs and then turn them into recycled products and select the location where we can keep it. By this, waste products will be released in short amounts from homes and we will be free from unnecessary garbage cleaning and pollution.

All Indian citizens should focus on this aim of making our country clean and green. If we all give equal importance to our plans and motives, India will be free from pollution. We should encourage others in taking part in this movement. The more people will engage in such activities, more such plans will be successful in future. One must remember that when you refuse to reuse, it's the Earth you abuse.
