MESSAGE FROM THE PRINCIPAL'S DESK

Dear Learners,

Education is a never ceasing sojourn which culminates into myriad manifestations. All the stakeholders, hence, must be very well aware of their respective responsibilities and guide, hone and mentor the young impressionable minds extremely eloquently, engaging all the faculties of erudition and forthrightness.

In light of the above, I studied that 'regularity' plays a vital and valedictory validation in all teacher-learner interactions. Therefore, all the facilitators must always be aware of their respective roles in the processes of moulding the minds.

Leaving you all in a fabulously fruitful time. Wish you all the very best.

'माँ' होती है

न जाने भगवान ने कौन सी शक्ति दी है इन्हें
जो बिना बोले सब समझ जाती है
ऐसी क्या प्रेरणा है इनके पास
जो हर करौती पे खरी उतरती है।
अपने बच्चों के लिए हर किसी से लड़ जाती है
बच्चों की सुशी में अपना दर्द भुलाकर सिर्फ उनके लिए मुस्कुराती है
ये भगवान का दूसरा रूप है
ये और कोई नहीं बल्कि हमारी 'माँ' होती है।
बचपन से जो हमें सब कुछ सिखाती है
एक चोट लगने पर जो आसमान खड़ा कर देती है

सुद खाए ना खाए, अपने बच्चों को जरूर खिलाती है
अन्नपूर्णा का साक्षात रूप ही 'माँ' होती है।
हमारे लिए यह क्या कुछ नहीं कर जाती है
हमारे लिए संसार तक से लड़ जाती है
'माँ' की ममता के क्या ही कहने यह नदी की तरह है बहती हमें सब कुछ देने के लिए
जो हर किसी से है लड़ जाती।

Archimedes und der Schüler

Zu Archimedes kam ein wißbegieriger Jüngling,
»Weihe mich,« sprach er zu ihm, »ein in die göttliche Kunst,
Die so herrliche Frucht dem Vaterlande getragen
Und die Mauren der Stadt vor der Sambuca beschützt!«
»Göttlich nennst du die Kunst? Sie ists,« versetzte der Weise,
»Aber das war sie, mein Sohn, eh sie dem Staat noch gedient,
Willst du nur Früchte von ihr, die kann auch die Sterbliche zeugen;
Wer um die Göttin freit, suche in ihr nicht das Weib.«

Archimedes and the student

To Archimedes came an inquisitive youth,
"Consecrate me," he said to him, "into the divine art,
The so glorious fruit carried to the fatherland
And protected the Moors of the city from the Sambuca!
"Do you call art divine? It is she," replied the wise man,
"But she was, my son, she served the state,
If you only want fruits from her, mortals can also produce them;
Whoever woos the goddess, do not seek the woman in her.
