Motivational Session for young students to join Armed Forces

Major Diwakar from Indian Army and a former student of our Principal, took a motivational session to inspire young students to join Indian Armed Forces on 11th October 2017. He deliberated upon various options, entries and careers available for both boys and girls.

Special Assembly: Diwali and Chhath Celebration

The students of primary and senior wings celebrated Diwali and Chhath Puja together by presenting a cultural extravaganza with a lot of joy and enthusiasm. A special assembly was organized with the objective to make the students aware of both the festivals - why and how they are celebrated. The students enthralled the audience with various devotional songs and mesmerizing dance performances. A captivating dance performance highlighting the significance, tradition and history of Chhath Puja was the bonus bonanza of the day. The principal appreciated the assembly and applauded the performers.

Diwali Celebration by Pre-Primary Wing

The festival of Diwali was celebrated by the pre-primary wing students on 16th & 17th October with great funfare, devotion and excitement. The whole school wore a festive look with colourful diyas and lanterns adorning the corridors. The children did various activities like diya making, cracker making, lantern making, earthen pot making and rangoli drawing etc. with their respective class teachers. They also spread the message to have a safe, peaceful and eco-friendly Diwali.

Mango Leaves Thoranam Making Activity

The Mango leaves have lot of religious and scientific significance and is believed to grant lot of wishes. The students of Class II engaged themselves in making beautiful mango leaves Thoranam in a festive mood on 16th October 2017.

Workshop an All Round Development of a child - "My Learning Train"

DPS Gaya organized a workshop on 07.10.2017 on the topic 'Holistic Development of a Child'. The resource person, Ms. Debjani Rudra fantastically elaborated on the responsibilities of a teacher and the need of an effective curriculum in developing all aspects of a child's personality – social, mental, emotional, spiritual and intellectual. The session was quite enlightening, interactive and successful with all the teachers enthusiastically participating in all activities conducted at the session.

Inter Cultural Learning Programme

The students of class VIII participated in an Inter Cultural Learning Programme with the delegates of Australia and Germany at Bodhi Tree Foundation Campus, Bodhgaya. The students came to know about their education system, government, lifestyle and feeding habits etc. Also on the eve of Diwali, they shared the joy of the festival by giving gifts to students of the deprived community.
