Christmas Celebrations

Soaking in the spirits of Christmas, the primary wing of DPS Gaya celebrated the festival with pomp and splendour. The school building wore a festive look with colourful bells, stars and decorated Christmas trees. A cultural programme was put up which included group songs and dances. A skit was enacted which explained the importance of the festival. The arrival of the Santa was the highlight of the event, who distributed candies to the kids.

Christmas Activity of Primary Wing

The excitement of the students was at its peak when the students of the Primary Wing were engaged in the School Christmas Activity. They sang Christmas Carols, wrote letters to Santa Claus as well as enjoyed the activities, like Christmas Bell Making, Christmas Tree Decoration and Snowman Making. Students were thrilled to witness the programs and understood the importance of Christmas. It was indeed an enriching learning experience for the pupils.

Parliament for Human Solidarity

Students of Delhi Public School, Gaya were awarded by Thaye Dorje, His Holiness the 17th Gyalwa Karmapa, in the Parliament for Human Solidarity, organised by Bodhi Tree Educational Foundation on 14th December 2018. The event emphasized on the need for human solidarity. The students of our school were conferred upon with the Trophy of Excellence in Community Notion by the auspicious hands of His Holiness 17th Gyalwa Karmapa.

Inter House Math Quiz

Quizzing is the most Interesting and Intelligent Labour. And...Of all...Maths Quiz is a mixture of Calculation and Artistic Presentation on stage, putting the Quizzards on tenterhooks. Quiz Master Pradip Banerjee did exactly the same in the Inter House Maths Quiz to Celebrate the Birth Anniversary of The Super Mathematician S. Ramanujan on the 22nd of December, 2018 here in the amphitheatre of DPS-Gaya. All the four houses attempted to outdo each other in the two categories...But the Top Spot was won by Chanakya House and Ashoka House in the Middle and Senior Groups respectively. Buzzer Rounds were the newly added innovation this time. Bright sunlight added to the zest of all who wished for more.

Career Guidance Seminar

Delhi Public School, Gaya organised a seminar on Career Counselling for students and parents of Class X, aspiring for Engineering and Medical Entrance Examinations to help them to shape their careers. Principal Mr. Sanjeet Soni welcomed Mr. Ravi Ranjan, Centre Head, VMC, Gaya, Mr. Vijay Srivastava, Mr. Hari Shanker Nath, Mr. B.P. Singh, and Dr. Sunil Kumar, the experts from Vidya Mandir Classes, Gaya and Mr. Vikas Kumar, Counsellor, Psychographic Society, Ranchi, all the worthy parents and students of Class X. He further emphasised the need and importance of such counselling programmes among the students. The programme aimed at providing a balanced approach to the students of class X to effectively manage their time and study schedules as they geared for the Board examinations. The resource person of the programme Sri Vikas Kumar laid stress on choosing the right combination of subjects as per the aptitude of the students which should be reflected on their academic performance. Mr. Amit Kumar, Centre Manager, VMC Gaya, along with Ms. Shalini and Ms. Neha, Counsellor, VMC, Gaya guided the parents and students through the study modules and the rules and regulations for seeking admission. The workshop received huge appreciation from both the participating students and the parents present, who urged on having such events at regular intervals.

Inter Class Show and Tell Competition

Inter Class Show and Tell Competition for Primary Wing was organised in our school campus. The students who were interested participated actively. It was conducted to encourage students to develop their speaking skills. In this competition each student came with objects like Rolling pin, calendar, soft toys, car, fruits, photo album etc. which were used in an innovative way and students delivered beautiful content on the same.
