**APRIL 2019**

### EARTH DAY CELEBRATION

Myriad hues and multiple activities by the tiny tots of Pre – Nursery to std II witnessed the celebration of the 'Earth Day' in DPS – Gaya today. Various educational and fun activities which included poster making, collage making, hand impression etc. marked the great day to add to the collective happiness. The theme was, of course, "saving the earth". The entire event was organised with the objective of raising awareness about the importance of protecting the greenery, the natural resources, the beauty and bounty that our planet has generously bestowed upon us.

## WORLD BOOK DAY CELEBRATION

“Books are dreams written down”. The students of classes III and IV enjoyed the gripping “Story – telling Session” by our talented teachers on “World Book Day”. The teachers also doled out salient tips for fluent and flawless reading. Our Principal, Mr. Sanjeet Soni stimulated the students by his expressions on “How to strengthen reading!”. A very captivating session altogether.

## ENGLISH EXTEMPORE COMPETITION

To imbibe the true spirit of learning and enhance effective communication skills an “English Extempore Competition” was organised for the students of classes III to V. The students spoke eloquently on varied topics like – Biggest Birthday Wish; Why are Best Friends Special, The Best Part about Holidays, How to Plan a Surprise Party, etc. The event was a great learning experience for the students as they learnt to express their views and opinions spontaneously. The manner in which the students presented their thoughts and views was really commendable and praiseworthy.

## ISA ACTIVITY

The British Council offers the International School Award (ISA) as an accreditation framework for schools to record and evaluate their international work and embed it into the curriculum and whole school ethos. As part of the ISA action plan, Delhi Public School, Gaya planned and executed an activity for students of I to V which was titled "Exotic Fruits of India, Sri Lanka, Brazil, China and Myanmar". The volume of work and the student-teacher involvement was truly commendable. We are very much proud of this achievement as during this activity, students have explored their creativity and motivation to the fullest and have learned a lot to become global citizens in the time to come.
