### International Day of Yoga 2019

YOGA is Your Own Great Alignment. If you want one purely holistic exercise regimen for the mind as well as the body you have only one solid choice and that is Yoga. Yoga is all about adding one's energies and synchronization of all the life forces. International Yoga Day is celebrated on 21<sup>st</sup> June every year in around 200 countries of the world since 2015. Here at DPS - Gaya we celebrated the day with great fanfare in the newly constructed Indoor Multi Purpose Auditorium between 7:30 am and 9:15 am. Yoga Teachers Mr. Chandan and Ms. Anuradha led all the staff members during the session. Some of the young guns among the teachers presented a well choreographed display of "merger of yoga postures n dance" which enthralled one and all. If cleansing of soul is a goal.....Yoga really is the sole scrubbing agent. Honourable Principal Mr. Sanjeet Soni encouraged all with his spirited words and thanked everyone for their participation. Day's programme ended with some fabulous and healthy "intervention" for the hunger n thirst of all.
