# WELCOME MESSAGE

Dear Viewer  
Greetings of the Day!

I am indeed honoured to have this opportunity to present before you consistent upward graph of our school's achievements and I would like to thank each one of you for being a significant part of this glorious journey.

Our school is an example of what leadership with vision, commitment and discipline can achieve. Looking back at our journey in serving the cause of education, since 1913, when our school came up, we are both happy and proud at the thought of the memorable milestones we have reached.

The Annual Report showcases the achievements and glories of our school undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

It is my privilege and pleasure to present the Annual Report for the year 2022. It has been a truly rewarding year.

**Sanjeev Kumar**
